- There are 20 family “pods” across in most rows, you will see your child's picture on your “pod”.
- The rows will be labeled A– O
- Graduates and parents exit rows to the right and line up on social distant marks to wait for your name to be called for your diploma
- Walk up to where Ms. Scouten is located and a parent can pick the diploma off the table and give the student their diploma and give a quick hug or hand shake
- Continue down the track where there will be a photographer where just the student will take a graduate photo with the mask off, you will receive an option to buy in the mail (please reserve all other photos for after graduation to help move ceremony along)
- Return to your seat on the end starting with 20
