

# Read Across America School Wide Bingo!

We are playing a school-wide bingo game for Birch Meadow's Read Across America celebration complete with a giant-sized bingo board! Here's what you need to know:

- ❖ Our bingo board will have 16 squares, each with a different reading challenge
- ❖ Students will be given a book of 16 'coupons', each corresponding with a reading challenge on our bingo board
- ❖ When a student completes one of the challenges, they will fill out the coupon for that challenge with their name, teacher, and title of the book that they read
- ❖ Students will bring their coupon to the library and drop it in their grade-level box
- ❖ Complete as many challenges as you can to help our school get BINGO and earn a surprise!
