Pets and Plants

Have you ever wondered how your pets
and garden can co-exist?

Please join the Reading Garden Club as we present a talk on pets and plants. It will be held at the Reading Public Library on Thursday, April 11th at 7:30 p.m. in the conference room. April Daly, the presenter, is a master gardener. This event is free and open to the public.

Please join us to learn which indoor and outdoor plants are toxic to animals and how we can keep our gardens safe for our pets.
