

Reading Public Schools Acceptable Use Policy

2020-2021 School Year

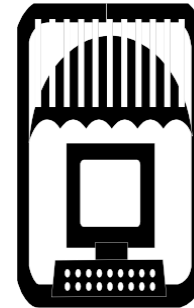

Internet Acceptable Use Policy

- Reading provides students and staff with access to a multitude of instructional resources through the network in order to advance and promote educational opportunities, innovation, and educational excellence.
- Access to the network is a privilege. Personal use of the network resources is prohibited.

Internet Acceptable Use Policy

- Users of the network are expected to comply with all policies of the District and with federal and state laws at all times while on the network.

Network Usage Guidelines

- It is a violation of Network Usage Guidelines to:
 - Post or reveal the names and addresses of students or staff without prior approval
 - Use the network for any illegal or commercial purposes
 - Use the network in any way that disrupts the administrative or educational goals of the District
 - Use the network to engage in bullying or harassment
 - Use another persons network account or to allow another to use yours
 - Download software without prior authorization of the Network Administrator
 - Access or download illegal or inappropriate material

Consequences of Violating the Guidelines

- Revocation, denial, or suspension of network use privileges.
- The District will cooperate fully with local, state, or federal investigations related to any illegal activities conducted through the Network.
