A. Call to Order

Chair Caruso called the Executive Session to order in the Superintendent's Office.

Litigation Strategy

Mr. Doneski updated the School Committee on the status of the Building Project Lawsuit. There are two hearing dates left in the process. The hearing process has taken longer than anticipated. Once the hearing proceedings are completed the master will issue a draft report on which each party may comment and propose revisions with reasons for the revisions. Then, the master will finalize the report and submit it to Superior Court. Final action by the Superior Court will become the judgement on the case. This process will take several months. Mr. Doneski does not expect any resolution until sometime in 2016.

Mr. Doneski left the meeting at 9:11 p.m.
