June 12, 2018

Dear Parents and Caregivers,

During the week of June 12, 2018, students enrolled in the Reading Memorial High School's *Intro to Health* course will participate in an Opioid Prevention Workshop. This workshop, facilitated by RCASA staff and Brian Lewis (School Resource Officer), includes new material developed by the DEA and Discovery Channel called OPERATION OPIOID PREVENTION.

The goal of this workshop is to educate students about the true impacts of opioids and kick-start lifesaving conversations in the classroom and at home. A Parent Toolkit, printed with the support of the Rotary Club of Reading, Rotary District 7930, and Lahey Health is attached for your information.

Ways that you can support prevention efforts:

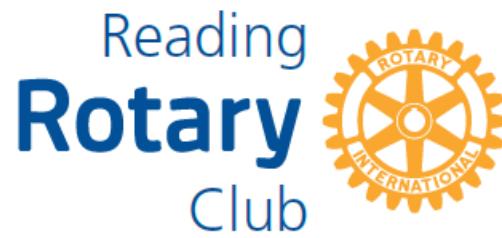

1. **Reduce access** to Rx by turning in any unwanted/unused meds to the kiosk in the Reading Police Department lobby. Open 24/7 at 15 Union St. Reading.
2. **Learn more** about our local challenges, events, activities and resources at <https://www.reading.k12.ma.us/community/rcasa/>

Thank you.

Sincerely,

A handwritten signature in black ink that reads "Erica McNamara". The signature is written in a cursive, flowing style.

Erica McNamara, MPH, Director

This program is sponsored by
the Rotary Club of Reading,
Massachusetts, in partnership
with Rotary International
District 7930 and Lahey Health.
