

NRYS TOPSoccer

Join us for our 11th Season!

Spring 2020

What is TOPSoccer?

TOPSoccer is a modified version of the game of soccer, designed to provide opportunities for children who have challenges that otherwise prevent them from participating in a traditional intramural or travel soccer program. It provides opportunities for fun, fitness, and building self-esteem, and offers athletes with special needs the opportunity to develop physically and emotionally through soccer.

- Modifications are made to the game to allow full participation and enjoyment for each child.
- "Buddies," typically high school soccer players, provide one-on-one assistance to enable the player to participate as required or desired.
- It offers a recreational, leisurely approach to the game.

North Reading Youth Soccer is devoted to providing a constructive and accommodating soccer experience for children that have challenges - physical, cognitive, or otherwise - through TOPSoccer. Our program has enjoyed great support from the community, the kids, and the parents since our inception in 2015. We have had players from all over the region, including North Reading, Reading, Andover, North Andover, Boxford, Burlington, Danvers, Lynnfield, Stoneham, Lawrence, and even Derry, NH!

Join Us

- If your athlete has a challenge that prevents involvement on towns' traditional soccer teams
- If you and your athlete want a safe environment where they can enjoy the game of soccer
- Athletes ages 4 thru 19

Spring 2020 Details

- The season starts on April 18th and runs through June 6th (with a weekend off for Memorial Day)
- Saturdays at Ipswich River Park in North Reading, 4PM – 5PM
- Registration is \$25 per player, includes shirt and a soccer ball for new players, and a celebration with a trophy or medal at season's end.

Volunteers Needed

- We're always looking for volunteers to be TOPS Buddies and Coaches
- Buddies earn Community Service hours
- Enjoy incredible experiences working with these great kids!
