Girls, Women and Alcohol: Epidemic in the Pandemic?

Ann Dowsett Johnston

*Author of **Drink: The Intimate Relationship
Between Women and Alcohol***

In a tough year, women's drinking has skyrocketed: up 41 per cent, according to one study. Women are outpacing men in alcohol-related emergency-room visits. Join bestselling author Ann Dowsett Johnston—*Drink: The Intimate Relationship Between Women and Alcohol*—as she explores this reality: what is happening, what you need to know, what can be done
