

STUDENT RECORDS

In order to provide students with appropriate instruction and educational services, it is necessary for the school system to maintain extensive and sometimes personal information about them and their families. It is essential that pertinent information in these records be readily available to appropriate school personnel, be accessible to the student's parents or legal guardian and/or the student in accordance with law, and yet be guarded as confidential information.

The Superintendent will provide for the proper administration of student records in keeping with state and federal requirements, and shall obtain a copy of the state student records regulations (603 CMR 23.00). The temporary record of each student enrolled on or after June 2002 will be destroyed no later than seven years after the student transfers, graduates or withdraws from the School District. Written notice to the eligible student and his/her parent of the approximate date of destruction of the temporary record and their right to receive the information in whole or in part, shall be made at the time of such transfer, graduation, or withdrawal. The student's transcript may only be destroyed 60 years following his/her graduation, transfer, or withdrawal from the school system.

The Committee wishes to make clear that all individual student records of the school system are confidential. This extends to giving out individual addresses and telephone numbers.

STUDENT RECORDS

603 CMR 23.00 is promulgated by the Board of Education pursuant to its powers under M.G.L.c.71, s.34D which directs that “the board of education shall adopt regulations relative to the maintenance of student records by the public elementary and secondary schools of the Commonwealth,” and under M.G.L.c.71, s.34F which directs that “the board of education shall adopt regulations relative to the retention, duplication and storage of records under the control of school committees, and except as otherwise required by law may authorize the periodic destruction of any such records at reasonable times.” 603 CMR 23.00 was originally promulgated on February 10, 1975, and was reviewed and amended in June 1995. 603 CMR is in conformity with federal and state statutes regarding maintenance of and access to student records, and is to be construed harmoniously with such statutes.

Application of Rights

603 CMR 23.00 is promulgated to insure parents’ and students’ rights of confidentiality, inspection, amendment, and destruction of students’ records and to assist local school systems in adhering to the law. 603 CMR 23.00 should be liberally construed for these purposes.

- (1) These rights shall be the rights of the student upon reaching 14 years of age or upon entering the ninth grade, whichever comes first. If a student is under the age of 14 and has not yet entered the ninth grade, these rights shall belong to the student’s parent.
- (2) If a student is from 14 through 17 years or has entered the ninth grade, both the student and his/her parent, or either one acting alone, shall exercise these rights.
- (3) If a student is 18 years of age or older, he/she alone shall exercise these rights, subject to the following. The parent may continue to exercise the rights until expressly limited by such student. Such student may limit the rights and provisions of 603 CMR 23.00 which extend to his/her parent, except the right to inspect the student record, by making such request in writing to the school Principal or Superintendent of Schools who shall honor such request and retain a copy of it in the student record. Pursuant to M.G.L. c.71, s.34E, the parent of a student may inspect the student record regardless of the student’s age.
- (4) Notwithstanding 603 CMR 23.01(1) and 23.01(2), nothing shall be construed to mean that a school committee cannot extend the provisions of 603 CMR 23.00 to students under the age of 14 or to students who have not yet entered the ninth grade.

Definition of Terms

The various terms as used in 603 CMR 23.00 are defined below:

Access: shall mean inspection or copying of a student record, in whole or in part.

Authorized school personnel: shall consist of three groups:

- (1) School administrators, teachers, counselors and other professionals who are employed by the School Committee or who are providing services to the student under an agreement between the School Committee and a service provider, and who are working directly with the student in an administrative, teaching, counseling and/or diagnostic capacity. Any such personnel who are not employed directly by the School Committee shall have access only to the student record information that is required for them to perform their duties.
- (2) Administrative office staff and clerical personnel, including operators of data processing equipment or equipment that produces microfilm/microfiche, who are either employed by the School Committee or are employed under a School Committee service contract, and whose duties require them to have access to student records for purposes of processing information for the student record. Such personnel shall have access only to the student record information that is required for them to perform their duties.
- (3) The evaluation team that evaluates a student.

Eligible student: shall mean any student who is 14 years of age or older or who has entered 9th grade, unless the School Committee acting pursuant to 603 CMR 23.01(4) extends the rights and provisions of 603 CMR 23.00 to students under the age of 14 or to students who have not yet entered 9th grade.

Evaluation Team: shall mean the team, which evaluates school-age children pursuant to M.G.L.c.71B (St. 1972, c.766) and 603 CMR 28.00.

Parent: shall mean a student's father or mother, or guardian, or person or agency legally authorized to act on behalf of the child in place of or in conjunction with the father, mother, or guardian. Any parent who by court order does not have physical custody of the student, is considered a non custodial parent for purposes of M.G.L. c. 71, s.34H and 603 CMR 23.00. This includes parents who by court order do not reside with or supervise the student, even for short periods of time.

Release: shall mean the oral or written disclosure, in whole or in part, of information in a student record.

School-age child with special needs: shall have the same definition as that given in M.G.L. c. 71B (St. 1972, c.766) and 603 CMR 28.00.

School committee: shall include a school committee, a board of trustees of a charter school, a board of trustees of a vocational-technical school, a board of directors of an educational collaborative and the governing body of an M.G.L. c.71B (Chapter 766) approved private school.

Student: shall mean any person enrolled or formerly enrolled in a public elementary or secondary school or any person age three or older about whom a school committee maintains information. The term as used in 603 CMR 23.00 shall not include a person about whom a school committee maintains information relative only to the person's employment by the School Committee.

The student record: shall consist of the transcript and the temporary record, including all information, recording and computer tapes, microfilm, microfiche, or any other materials, regardless of physical form or characteristics concerning a student that is organized on the basis of the student's name or in a way that such student may be individually identified, and that is kept by the public schools of the Commonwealth. The terms as used in 603 CMR 23.00 shall mean all such information and materials regardless of where they are located, except for the information and materials specifically exempted by 603 CMR 23.04.

The temporary record: shall consist of all the information in the student record which is not contained in the transcript. This information clearly shall be of importance to the educational process. Such information may include standardized test results, class rank (when applicable), extracurricular activities, and evaluations by teachers, counselors, and other school staff.

Third party: shall mean any person or private or public agency, authority, or organization other than the eligible student, his/her parent, or authorized school personnel.

Log of Access: A log shall be kept as part of each student's record. If parts of the student record are separately located, a separate log shall be kept with each part. The log shall indicate all persons who have obtained access to the student record, stating: the name, position and signature of the person releasing the information; the name, position and, if a third party, the affiliation if any, of the person who is to receive the information; the date of access; the parts of the record to which access was obtained; and the purpose of such access. Unless student record information is to be deleted or released, this log requirement shall not apply to:

- (a) Authorized school personnel under 603 CMR 23.02(9)(a) who inspect the student record;
- (b) Administrative office staff and clerical personnel under 603 CMR 23.02(9)(b), who add information to or obtain access to the student record; and
- (c) School nurses who inspect the student health record.

Access of Third Parties. Except for the provisions of 603 CMR 23.07(4)(a) through 23.07(4)(h), no third party shall have access to information in or from a student record without the specific, informed written consent of the eligible student or the parent. When granting consent, the eligible student or parent shall have the right to designate which parts of the student record shall be released to the third party. A copy of such consent shall be retained by the eligible student or parent and a duplicate placed in the temporary record. Except for the information described in 603 CMR 23.07(4)(a), personally identifiable information from a student record shall only be released to a third party on the condition that he/she will not permit any other third party to have access to such information without the written consent of the eligible student or parent.

- (a) A school may release the following directory information: a student's name, address, telephone listing, date and place of birth, major field of study, dates of attendance, weight and height of members of athletic teams, class, participation in officially recognized activities and sports, degrees, honors and awards, and post-high school plans without the consent of the eligible student or parent; provided that the school gives public notice of the types of information it may release under 603 CMR 23.07 and allows eligible students and parents a reasonable time after such notice to request that this information not be released without the prior consent of the eligible student or parent. Such notice may be included in the routine information letter required under 603 CMR 23.10.

Access Procedures for Non-Custodial Parents. As required by M.G.L. c.71, s.34H, a non-custodial parent may have access to the student record in accordance with the following provisions.

- (a) A non-custodial parent is eligible to obtain access to the student record unless:
 1. The parent has been denied legal custody based on a threat to the safety of the student or to the custodial parent, or
 2. The parent has been denied visitation or has been ordered to supervised visitation, or
 3. The parent's access to the student or to the custodial parent has been restricted by a temporary or permanent protective order, unless the protective order (or any subsequent order modifying the protective order) specifically allows access to the information contained in the student record.
- (b) In order to obtain access, the non-custodial parent must submit a written request for the student record to the high school principal annually. The initial request must include the following:
 1. A certified copy of the court order or judgment relative to the custody of the student that either indicates that the requesting parent is eligible to receive access as set forth in 603 CMR 23.07(5)(a), or a certified copy of a court order specifically ordering that the student records be made available to the non-custodial parent, and
 2. An affidavit from the non-custodial parent that said court order or judgment remain in effect and that there is no temporary or permanent order restricting access to the custodial parent or any child in the custodial parent's custody.
- (c) The non-custodial parent must submit a written request for a access each year stating that said parent continues to be entitled to unsupervised visitation with the student and is eligible to obtain access as set forth in 603 CMR 23.07(5)(a).
- (d) Upon receipt of the request (initial and annual) the school must immediately notify the custodial parent by certified and first class mail, in English and the primary language of the custodial parent, that it will provide the non-custodial parent with access after 21 days, unless the custodial parent provides the principal with documentation that the non-custodial parent is not eligible to obtain access as set forth in 603 CMR 23.07(5)(a).
- (e) The school must delete the address and telephone number of the student and custodial parent from student records provided to non-custodial parents. In addition, such records must be marked to indicate that they shall not be used to enroll the student in another school.
- (f) Upon receipt of a court order which prohibits the distribution of information pursuant to M.G.L. c.71, s.34H, the school shall notify the non-custodial parent that it shall cease to provide access to the student record to the non-custodial parent.

At least once during every school year, the school shall publish and distribute to students and their parents in their primary language a routine information letter informing them of the following:

- (a) The standardized testing programs and research studies to be conducted during the year and other routine information to be collected or solicited from the student during the year.
- (b) The general provisions of 603 CMR 23.00 regarding parent and student rights, and that copies of 603 CMR 23.00 are available to them from the school.
