

Welcome to Second Grade!

Dear Parents:

I am excited about getting to know my new students and their families in the coming year. I have compiled a list of materials, which will be helpful for your child to bring to school in August. Should you lose the list over the summer, have no fear! This list is to guide parents who wish to do some bargain hunting over the summer; however, I will send this list again in the fall.

- *paper towels
- *Expo dry erase marker
- *24 pack Crayola crayons
- *Ticonderoga sharpened pencils
- *small eraser toppers/ white erasers
- *Tissues
- *Crayola colored pencils
- *Crayola markers
- * One Subject Notebook
- * 1 fine and 1 regular black "Sharpie" marker

Would be Nice

- *small ziplock bags quart size
- *hand soap

Please do not purchase these items if it is a hardship. The school does supply some items. However, the students go through them so quickly, it is helpful when students bring supplies from home as well.

We hope you have a wonderful summer with your family! Thank you!

The Second Grade Team
