- 1 set of ear bud headphones for audio use with the laptops.
- 1 pencil pouch: 3-hole punched to be kept in binder

It is not necessary for students to have a trapper keeper. Although trapper keepers can be a great organizational tool, they are much too large to fit in our desks. We also ask that you please do not send in students with rolling backpacks. They also do not fit into the lockers.

Thank you for helping us to prepare for an exciting year! Enjoy your summer vacation. We look forward to seeing you in the fall!

Please do not purchase these items if it is a hardship. The school does supply some items. However, the students go through them so quickly, it is helpful when students bring supplies from home as well.

Sincerely,
Ms. Callan, Mrs. Hardiman, and Mrs. Donlon
