Instilling a joy of learning and inspiring the innovative leaders of tomorrow

Dear Parent or Guardian:

This letter is to notify you that, per Massachusetts State Regulations, **Vision and Hearing Screening will be taking place this year for all 7th grade students.**

Please have your student bring their glasses or wear their contact lenses as needed.

Parents/guardians can request in writing that their child not participate in screening by contacting the school nurse.

- Please send a note or email the nurse (if you do not want your child to participate) and,
- Attach a current physical with annual screening results

Please feel free to contact me if you have any questions.

Sincerely,

Kate Shmulsky, BSN, RN
